to put Shilton in Carlock Park
as moved day. You advised A-T
waiting for release to come and tel
them → Release freedom on the
and but said they will move
if asked by elders

→ advised patience but will
have it upon if necessary

→ John Ferguson advised that steps
hopefully in 30 mins - Advised their
and also in other tents

1530

Feb 5/21

REDACTED

0350

Called Jay D'Arcy

- Chief called ordering removal of Gas and shells in Confid park immediately

- Refused order from commander Hender about making a bomb (no arena)

- Ordered bank to stop getting paper in (NCC is slow)

0350

- Called Chief - Very agitated why shelter not taken down earlier through negotiations.

- Advised PM was asked to grant plans to remove areas where shot gun

- Went to all down a plan for me

- Had to enter downtown core

- Tipped about authorities he said he did not care about authorities

- (was trying to advise first in very case in itself is an approved container)

- Ordered me to get people up and plan to remove in all gas within 24hrs

- (Was not yelling but loud)

- He was walking up Kevin Tolson to get his laptop even (?) and he was according to central

Page 107

1600

All meetings

- Concept of operations

- Negotiation plan - flat work

- Plan for future

- Initial Briefing for weekend

2300

END

Page 106

REDACTED

- Got up turned on laptop
- Email from D'Acosta
- he sent 50% leave to check area
- indicated a pick up blocking lane way
- Campus is about 30 people sleeping in trailers. Propose to take on back on trailers for D'Acosta.
- word moved away from band file.
- a few very cars for generators
- Nothing like previous photos
- Forward email to chief

0356 Forward email to Called Chudres
Hussey to get legal advice re
authorities - no answer.

0424 Text from D'Acosta Chief requesting
Sgt. Howell meets him at central.
D'Acosta on his way down

- 0532 - D'Acosta called a saying Chief is
ordain "Bryson" - Sgt. Dean (OPP)
412 plans to arrive Central then
Richard & by Sunday the city to
- about all conversation the city to
arrive around in lights on
- all night shift to stay on until
noon

0800 - Chief ordered CIC meeting at Central
or call in.

↳ Not changing the OPS plan
but want to enforce the hell out of
it.

- without political support our job will
be very difficult.
- Everything must be lawful
- maximum discretion.

- Jan Mathis? → Bring East/West plan
to the Chief.
- Over police → Alex heavy in areas
→ maintain order.
- ⇒ can act - not enough staffing.

But - closing ramps is serious concern

→ Shut down fuel - keeps trucks

→ Authorities → advised of mischief
and going and getting.

- They are using children as human
shields → target on that.

- Acknowledge we don't have resources

- No team limits on

REDACTED

- Negotiation TEAM

- Negotiation Briefings

- Negotiation platform

- Tow trucks

→ Create pounds - Black in trucks.
change people - creative

- Members in 12 licenses.
- not discover and children?

REDACTED

- Disrupt operation centers.

0900 CIC - Clear

- Close bridges - motion, in
resources - 10 or less groups.

Find numbers - 10 people pushed
out. (Phone) Sample

REDACTED

Feb 8/24

REDACTED

0700 - working from home -
 - Road CID open - pushed up
 to Peterson for approval

- Addressed template for arrest as
 'Crown support' etc. - pulled out and
 is advise → up to OS to decide - need
 to remove
- Clarified the seizure procedure with
 SCC / NCRCC

REDACTED

- Don sign truck pursuant to warrant
 ↳ ministry can bring order to process
 trucks

- Sign incident to arrest in truck
 ↳ warrant to seize is better
 ↳ protect later

- Start working on warrants to

- Don't avoid ~~any~~ Stander
- 1000000 transactions
 - Hitting home
 - Task Times off
 - etc.

10:00 Carvey Briefing #18

- ↳ Command Centre - Plan to take them out.
- Criminal Enterprise??

- Civil Asset freeze being done by LS
- will give script to officers

12:00 Command Team Meeting (C10)

↳ Resources

- T1 - Give on operations (plans)
- on going continuing - but holding back proactive asset as necessary
- and prioritise as they come in.

- EUBS

- ↳ Same - lots of assets at stand 50
- able to do it for now but need more is high.
- Investigation need to look out each other.

14:00

PM Intel meeting

- Thursday - action on PM → R. D. R. / Sussex
- How to control that area
- Spicada group not associated to those drugs.
- ~~spicada~~ - opportunity to leave.
- Identity who is associated to vehicles.

- ↳ Arresting - 3-5 persons of interest.
- up to dozen.
- Mass distraction.

REDACTED

1800 Civil Injunction Enforcement meeting.

Date Feb 12/12

0830 Start - from home

- Read emails
- Forward Guest Plan

- Need to draft for Thursday operation.

805 Call in Bull - looking for plans re Higgins / Awareness plan for

> Resources request.

- Letter to MTO / all from chief.

0830 Meeting in Deputy re plans.

- Plan > overall plans

> Hull / Awareness > plan and ask. L MTO / MTO inspection.

0900 Patterson / Deannan / Beerman

Chief - 1800 person request - OVD planning team > High organization

Page 120

Date

- DEANAN
- Kennedy

4 phase approach.

> RUPPEN / SUSSEX

1800 minutes per not about what to
Give them - 175 G50 out

- Security posture to maintain what we move.

Phase 2 - Wellington. (SAT)

Phase 3 - Kent / STON (Bristol (Mon))

- Patterson - "I am not going to accept the
RUPPEN / SUSSEX groups to move up to
clear the intersection."

Ken - Threat level is still low > what is
the national threat level?

> Cross thoughts re Coventry road security
=>

Page 121

REDACTED

1110 - Transport Canada - authorization
re transportation of fuel.

Tip: Ministry Inspectors have broad
scope of authority to take cars
- Joke to Toronto to request
people on the ground in authority
to seize fuel.

1215

REDACTED

1230

Denis Hall conversation re Traffic
plan

- After yesterday meeting -
will send request for additional resources
(NO)
→ Ask plan for enhanced enforcement
on roads leading in.

- City - with by law → asked him to
ask for more off for an city enforcement.

1310

Advised by Clara that Insp Samuels
asked to check Conventry - trespass to
property.

↳ Called Samuels - Said Patts has
him to go to WCCC to formulate a
plan.

- Advised no authority under TPO
- Need to use Transport Act legislation
(inspect) or proceed to seize at it is
concern, the offence on the bill.
